JOB POSTING – PCP

PERMANENT PART-TIME POSITION – PCP

Closing Date: When Filled

Start Date: TBD

Job Description:

La Ronge EMS & Northern Air Medevac Service is currently looking for Permanent Part-time (PPT) –Primary Care Paramedics (PCPs) to join our EMS team. La Ronge EMS is a privately run Ambulance service, located in beautiful Northern Saskatchewan close to lakes, resorts ideal for people who love the outdoors. La Ronge is located approximately 2.5 hours North of Prince Albert and 3.5 hours North of Saskatoon. La Ronge EMS is a unionized service that employs approximately 35 staff in a private contract with Health Sciences Association of Saskatchewan (HSAS). La Ronge EMS provides great benefits for all staff along with a Northern living allowance, yearly Northern Retention bonus of \$1900.00 on each anniversary date and Pension Plan (RRSP). La Ronge EMS is one of the busiest rural Paramedic Services in Saskatchewan that covers one of the largest areas in the province both by ground Ambulance while also providing Air Medevac Services to the majority of Northern Saskatchewan as well into some parts of Manitoba and Alberta.

La Ronge EMS responds to over 350 emergency and non-emergency calls and 90-100 Air Medevacs a month averaging over 5000 calls per year. Shifts include 12-hour Day and Nights along with 24 hours on call. La Ronge EMS Staffs 4 ground Ambulances, 1 Supervisor Unit and 3 dedicated Air Medevac Crews in a 24hr period.

Part-time position (PPT) consists of mostly on call shifts with scheduled Day and Night shifts to cover Holidays, STAT days, and any request for leave from Full time staff. Part-time Staff average full-time hours and yearly income of \$70,000 to \$80,000. LREMS follows the HSAS pay scale, \$5.00 an hour on call including shift difference and weekend premiums along with that comes a Medevac Bonus of \$60.00 per flight plus much more.
