WestMed Paramedics Inc. is a busy rural ambulance service located in northwest Saskatchewan's parkland region. We provide emergency medical services to six towns, three First Nations communities and numerous resort communities over a geographical area of 12,000 square kilometres. Our vast response area and diverse demographic creates an environment in which we spend a significant amount of time with our patients and allows practice to the full extent of skill level.

Our modern ambulance base has an attached house for relief staff and for temporary accommodation of new staff. We offer an excellent benefits package and group RRSP plan. Our wages follow the current Health Sciences collective agreement.
