Cupar is a small community located approximately 45 minutes northeast of Regina. Cupar Ambulance does approximately 550 calls per year and uses new and modern equipment. Staff accommodations are available for staff to reside in while working. We have a very motivated young crew that acts like family and is very easy to work with.

Please apply with resume to Cuparems@hotmail.com Please call 306-723-4218 (Liette) or John 306-726-8273 if you have any further questions.
